

THE 7TH LSU INTERNATIONAL WEEK

25 YEARS OF ERASMUS EXPERIENCE: TODAY FOR TOMORROW

April 15th - 19th, 2024,
Lithuanian Sports University, Kaunas, Lithuania

Dear Colleagues and Partners,

We would kindly like to remind you that the registration to the 7th International Week of the Lithuanian Sports University is open until **January 26, 2024.**

It is our pleasure to invite you to the **7th International Week** of the Lithuanian Sports University which will take place **on April 15–19, 2024** in Kaunas, Lithuania.

The 7th International Week under the title **“25 Years of Erasmus Experience: Today for Tomorrow (T4T)”** is open to the academic staff from our partner universities who are interested to share their knowledge, expertise and experience through lectures, seminars, workshops and/or practical sessions.

Since the 1st International Week in 2014, this event has become a part of the LSU “Internationalisation at home” policy aiming to bring an international dimension to its undergraduate and graduate students by welcoming highly competent scholars, teachers and practitioners from different partner institutions across Europe and beyond. The International Week will also serve as a platform to meet colleagues from other academic institutions for sharing good practice, learning and getting inspired by each other, and building new partnership networks for future collaboration.

Participation in the International Week is free of charge. However, all participants are expected to cover their travel, accommodation and living expenses from the Erasmus staff mobility for teaching grant or other funds.

More information about the 7th International Week and the [online registration](https://www.lsu.lt/en/IW-2024) are available at www.lsu.lt/en/IW-2024

We are looking forward to welcoming you in Kaunas.
